

Gabion Triangular Basket

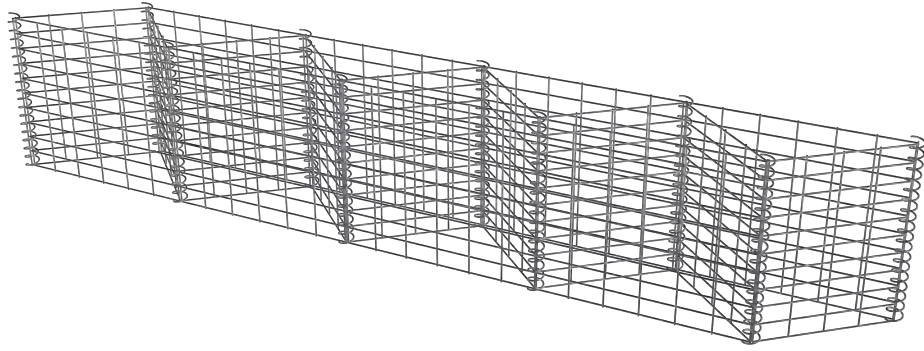

Your go-to solution for easy garden upgrades! With four variants in two heights, these baskets cater to all your creative needs. Ideal for gardens, they add a charming touch and double as trendy planters for various plants. Crafted with a 4.00mm wire diameter and 100x50mm mesh size, these baskets ensure durability and a load capacity of up to 1400kg/m. Extend your garden walls effortlessly or transform them into stylish gabion planters; the possibilities are endless. Rocks and planters are not included, giving you the freedom to personalize your outdoor haven.
